- Federal Supplemental Security Income (SSI)
- Pharmaceutical Assistance to the Aged and Disabled (PAAD)
- General Assistance (GA) benefits
- Universal Service Fund (USF)
- Low-income Household Water Assistance Program
- Lifeline Credit Program

OR

You are unable to pay your utility bills because of circumstances beyond your control such as unemployment, illness, medically related expenses, recent death of an immediate family member, and any other circumstances, which might cause financial hardship.

What do you have to do?

1. If you qualify for protection from shut-off during this period, you should contact your utility company to advise the company that you are eligible for coverage under the State's Winter Termination Program. You should also pay as much as you can on your bill(s) during the winter.
2. Customers also have the option to complete the following Self-Certification form and provide this form to their utility company as a way of notifying the company of their eligibility for protection. When using the Self-Certification form it is recommended that a copy of the form be retained for one's personal records. [Click here for the Self-Certification Form](#)

Please note that completion and submission of the Self-Certification form to your utility company is NOT required in order to receive protection under the Winter Termination Program. Protection under the Winter Termination Program can be obtained by verbally advising your utility company(ies) of your eligibility or by submitting this Self-Certification form to the utility company. In either case, please contact your utility company's customer service number to report your eligibility and/or learn how it wishes to receive the Self-Certification form. You should also log onto DCAid: <https://dcaid.dca.nj.gov/en-US/are-you-eligible> or contact **NJ211 at 211** or 1-877-652-1148 for possible assistance with your utilities.
