Dear Business Owners,

On April 28<sup>th</sup>, 2026, the Governing Body of the Township of Mullica adopted Ordinance 04-2026 - Creating a New Chapter of the Township Code Captioned "Business Registration Licenses." This ordinance requires businesses to be licensed, and to apply for the license by May 1<sup>st</sup> of each year, for a one-year period from June 1<sup>st</sup> to May 31<sup>st</sup>. Businesses will be required to complete a Business Registration Application annually and pay the annual application fee of \$100.00.

**An extension has been granted for this year.** An application is enclosed and will need to be completed and returned to the Township no later by **June 30, 2026.**

New Jersey State Senate Bill #S1368 mandates that all business owners maintain liability insurance and provide proof of insurance to the municipality where the business is located and operating. This law requires all business owners to maintain liability insurance for negligent acts and omissions in an amount of no less than \$500,000 and requires the municipality to register and maintain documentation for that insurance annually.

Therefore, you are required to submit the required proof of insurance with your Business Registration Application, and associated application fee of \$100.00 to Mullica Township no later than June 30, 2026. Failure to do so will delay issuance of your license and may subject the business owner to a fine and penalty in Municipal Court.

The indexing of Business Registrations will aid the Township if an urgent or emergent situation arises. It is the purpose and intent to establish a Business Registry for the protection of persons and property and for the preservation of public health, safety, and general welfare of the municipality and its residents.

Sincerely,

The Township of Mullica
